

# ENERGINE

Lihue, Kauai, H. T., February 9, 1906.

Messrs. E. O. Hall & Son, Honolulu.

Gentlemen:—Yours of February 9th to hand, inquiring how I liked the fuel "Energin." I would say that this fuel after eight months use has given me entire satisfaction, and has proved to be all that is claimed for it. My average per gallon of "Energin" is twenty-five miles, with gasoline it was about fifteen miles. The best run I have made with "Energin" was twenty-nine miles to a gallon, this run was made under very favorable conditions. What pleases me most, is the increased power which "Energin" gives, hills that my runabout would only take on the low speed with gasoline, now takes them on high speed with no trouble. The spark plug has been in service for the past six months and has never given me one moment of trouble. I took it out the other day to show a gentleman from Honolulu, and he was surprised at its perfect condition. I cheerfully recommend the above fuel to all users of autos.

Yours very truly,  
JOHN A. HOGG,  
Manager Kauai Telephone Co.

#### GEAR LIBERATES

(Continued from Page 1.)  
The court having no jurisdiction, it would be idle to order a new trial. Judge De Bolt then rendered his decision as follows: "The court finds that the judgment in the case of the Territory vs. Chew Hing is void for the reason that the court had no jurisdiction therein, the defendant having been placed on his trial without presentment or indictment by a Grand Jury. The defendant is discharged." From Judge De Bolt's court Judge Gear wended his way to Judge Lindsay, where he moved to discharge Yu San, also charged with aiding in maintaining a lottery. Gear showed that the charge against the defendant was really no charge at all, as it merely stated he had violated a certain section of the law, but did not charge him with doing anything, so that there was nothing to base jurisdiction or anything else on. Judge Lindsay discharged the defendant, who, however, was re-arrested on his departure from the building.

#### SKATES AT THE RINK.

The Rink is the popular meeting place mornings. It looks as if a section of the shopping district of Fort street had been transferred to Queen street and put on rollers. "Meet me at the Rink" is the phrase most heard these days. The girls are learning rapidly, the beginners having the assistance of skilled instructors who are on hand every morning and afternoon. You can meet all your friends any morning at the Queen street Rink girls.
